

REMARKS

The Applicants thank the Examiner for the amendments. Amendments have been made to the specification and to claims 6, 7, 8 and 13. Claims 2-4, 9-10, 12, and 14-15, were previously cancelled by the Examiner's amendment of 9/1/2009.

Amendments

Amendments have been made to the specification to make reference to the priority applications. Amendments have also been made to correct formal matters in the claims without changing the scope of the claims. No new matter has been added.

The Applicants respectfully request that the amendments be entered prior to payment of the Issue fee.

CONCLUSION

It is believed that no fees are required. The Commissioner is also authorized to charge any additional fees, if needed, or credit any overpayment, to deposit account No. 50-4255.

Respectfully submitted,

Date

9/9/09

Information:

This Acknowledgement Receipt evidences receipt on the noted date by the USPTO of the indicated documents, characterized by the applicant, and including page counts, where applicable. It serves as evidence of receipt similar to a Post Card, as described in MPEP 503.

New Applications Under 35 U.S.C. 111

If a new application is being filed and the application includes the necessary components for a filing date (see 37 CFR 1.53(b)-(d) and MPEP 506), a Filing Receipt (37 CFR 1.54) will be issued in due course and the date shown on this Acknowledgement Receipt will establish the filing date of the application.

National Stage of an International Application under 35 U.S.C. 371

If a timely submission to enter the national stage of an international application is compliant with the conditions of 35 U.S.C. 371 and other applicable requirements a Form PCT/DO/EO/903 indicating acceptance of the application as a national stage submission under 35 U.S.C. 371 will be issued in addition to the Filing Receipt, in due course.

New International Application Filed with the USPTO as a Receiving Office

If a new international application is being filed and the international application includes the necessary components for an international filing date (see PCT Article 11 and MPEP 1810), a Notification of the International Application Number and of the International Filing Date (Form PCT/RO/105) will be issued in due course, subject to prescriptions concerning national security, and the date shown on this Acknowledgement Receipt will establish the international filing date of the application.
